<sup>\*</sup> Record the generic abbreviation for the type of vaccine given (e.g., DTaP), not the trade name. For combination vaccines, indicate the type (e.g., DTaPHib) and all other information for each individual antigen (e.g., in the DTP and Hib sections) comprising the combination.

Vaccine Administration Record

<sup>\*\*</sup> Site given: RA = right arm, LA = left arm, RT = right thigh, LT = left thigh.

<sup>\*\*\*</sup>A reliable history of chickenpox is defined as: 1) physician interpretation of parent/guardian description of chickenpox; 2) physician diagnosisof chickenpox; or 3) laboratory proof of immunity.
